AthletesTouch

Mission Statement

We are an exclusive community of former college and professional athletes excelling in the world of business. We are competitors, teammates, friends, and trusted advisors. We expect nothing but success at the highest level as business professionals. From the backboards to the boardrooms or the courts to the court of law, we maintain the passion, discipline, and fortitude to thrive in the sport of business. The uniforms may be different, but the athlete is always the same.

Membership Information

AthletesTouch is ...

A powerful and exclusive membership community comprised of high performing former professional and collegiate athletes who share common values and perspective to advance in the world of business.

It is an inspirational and aspirational community, which features high level speakers who share great stories.

Members engage and discuss relevant subject matter in the spirit of a "pay it forward" model to unlock our respective social capital as a currency, in order to help our fellow members and others win in the sport of business.

Membership Ethos

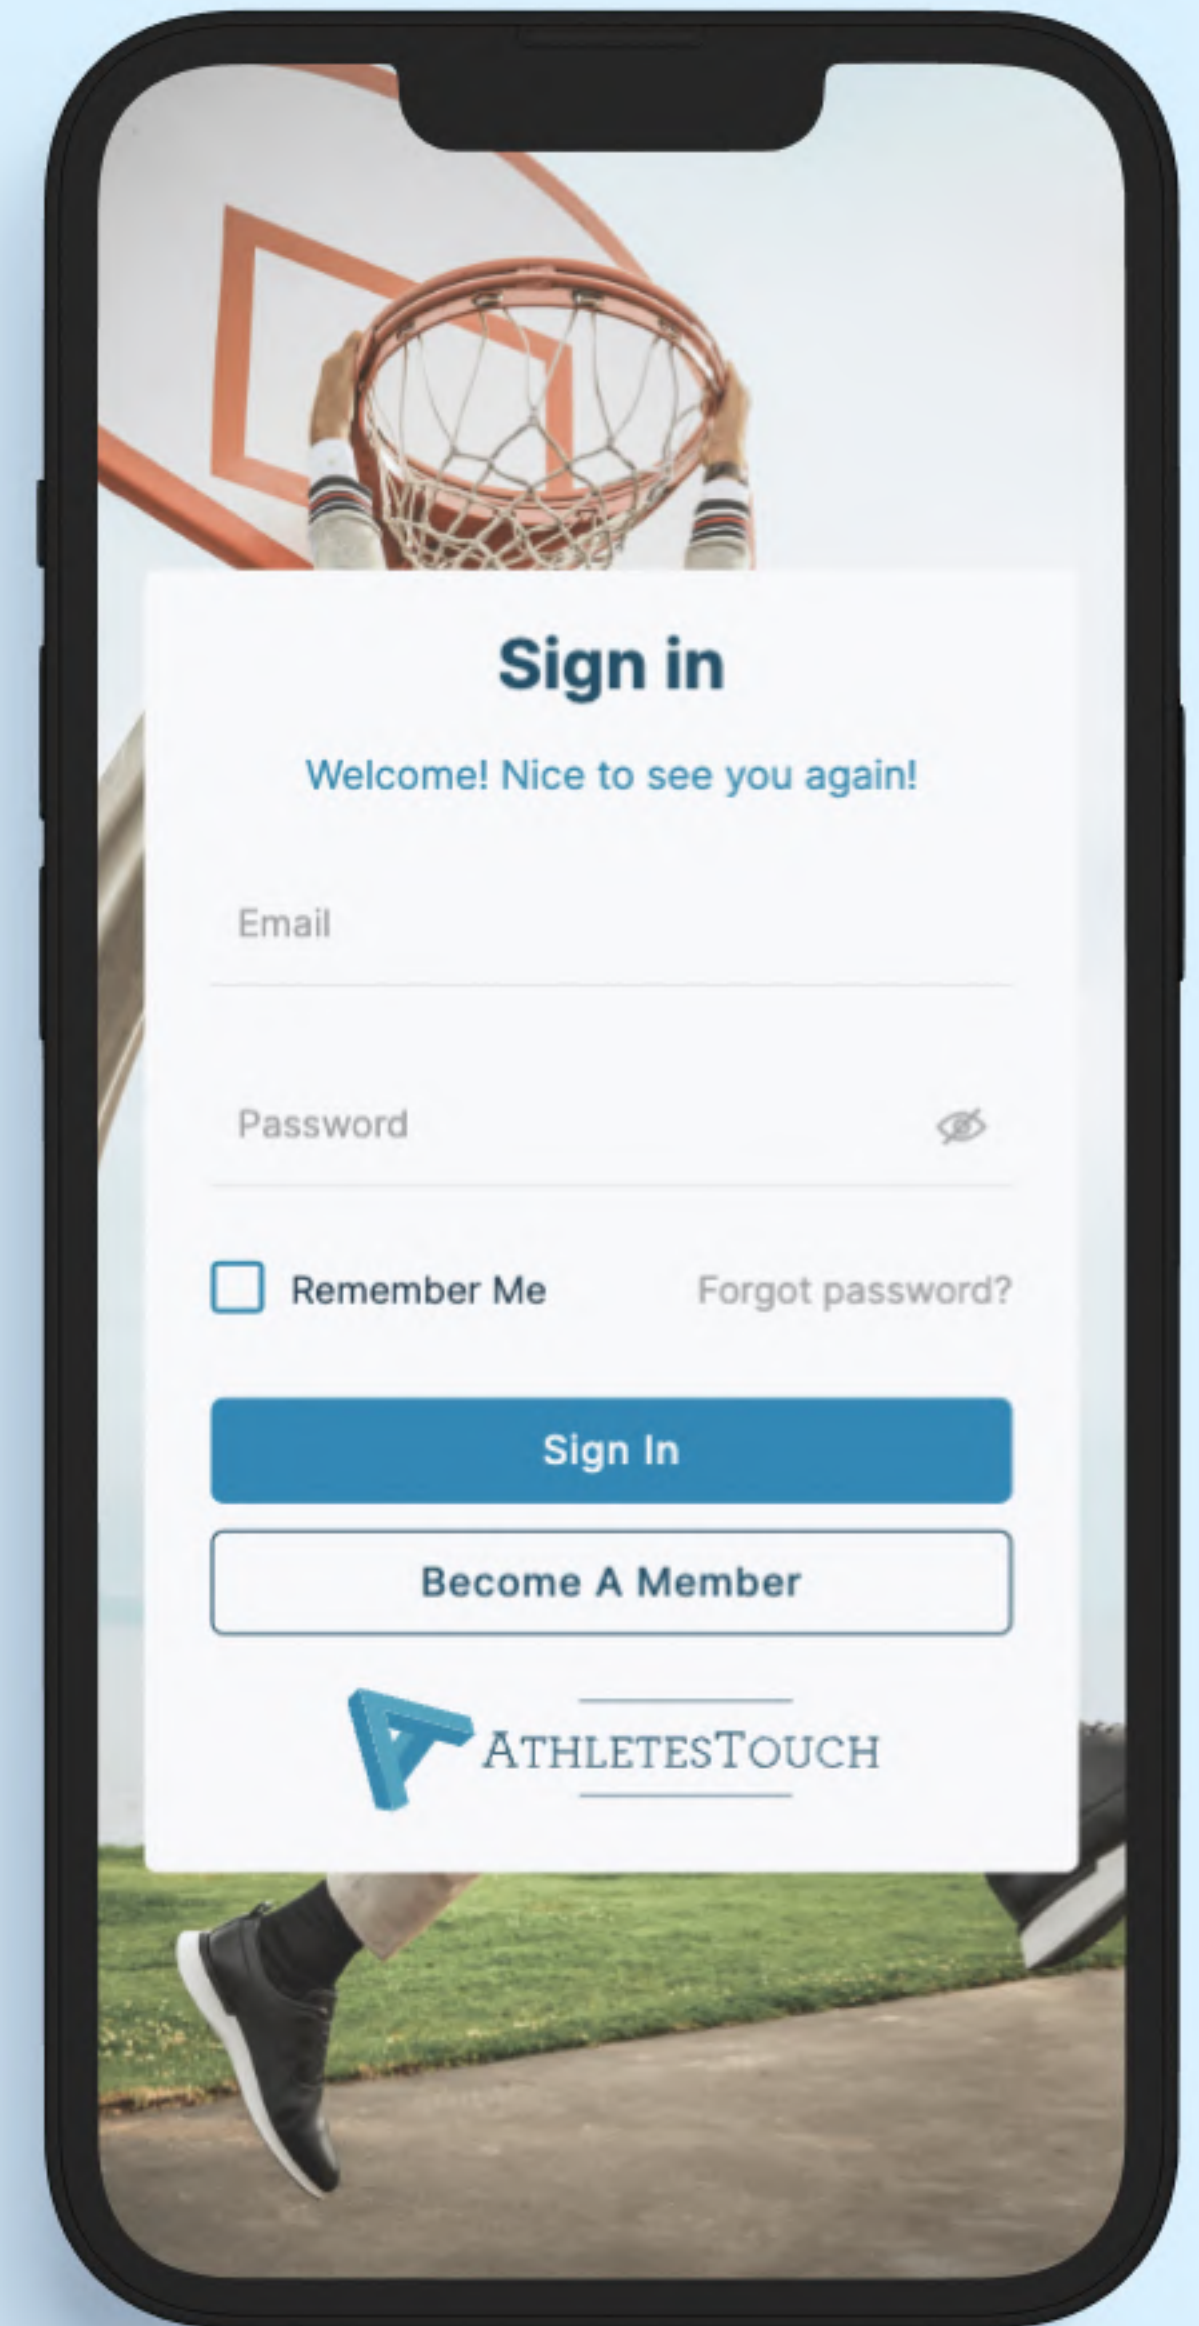

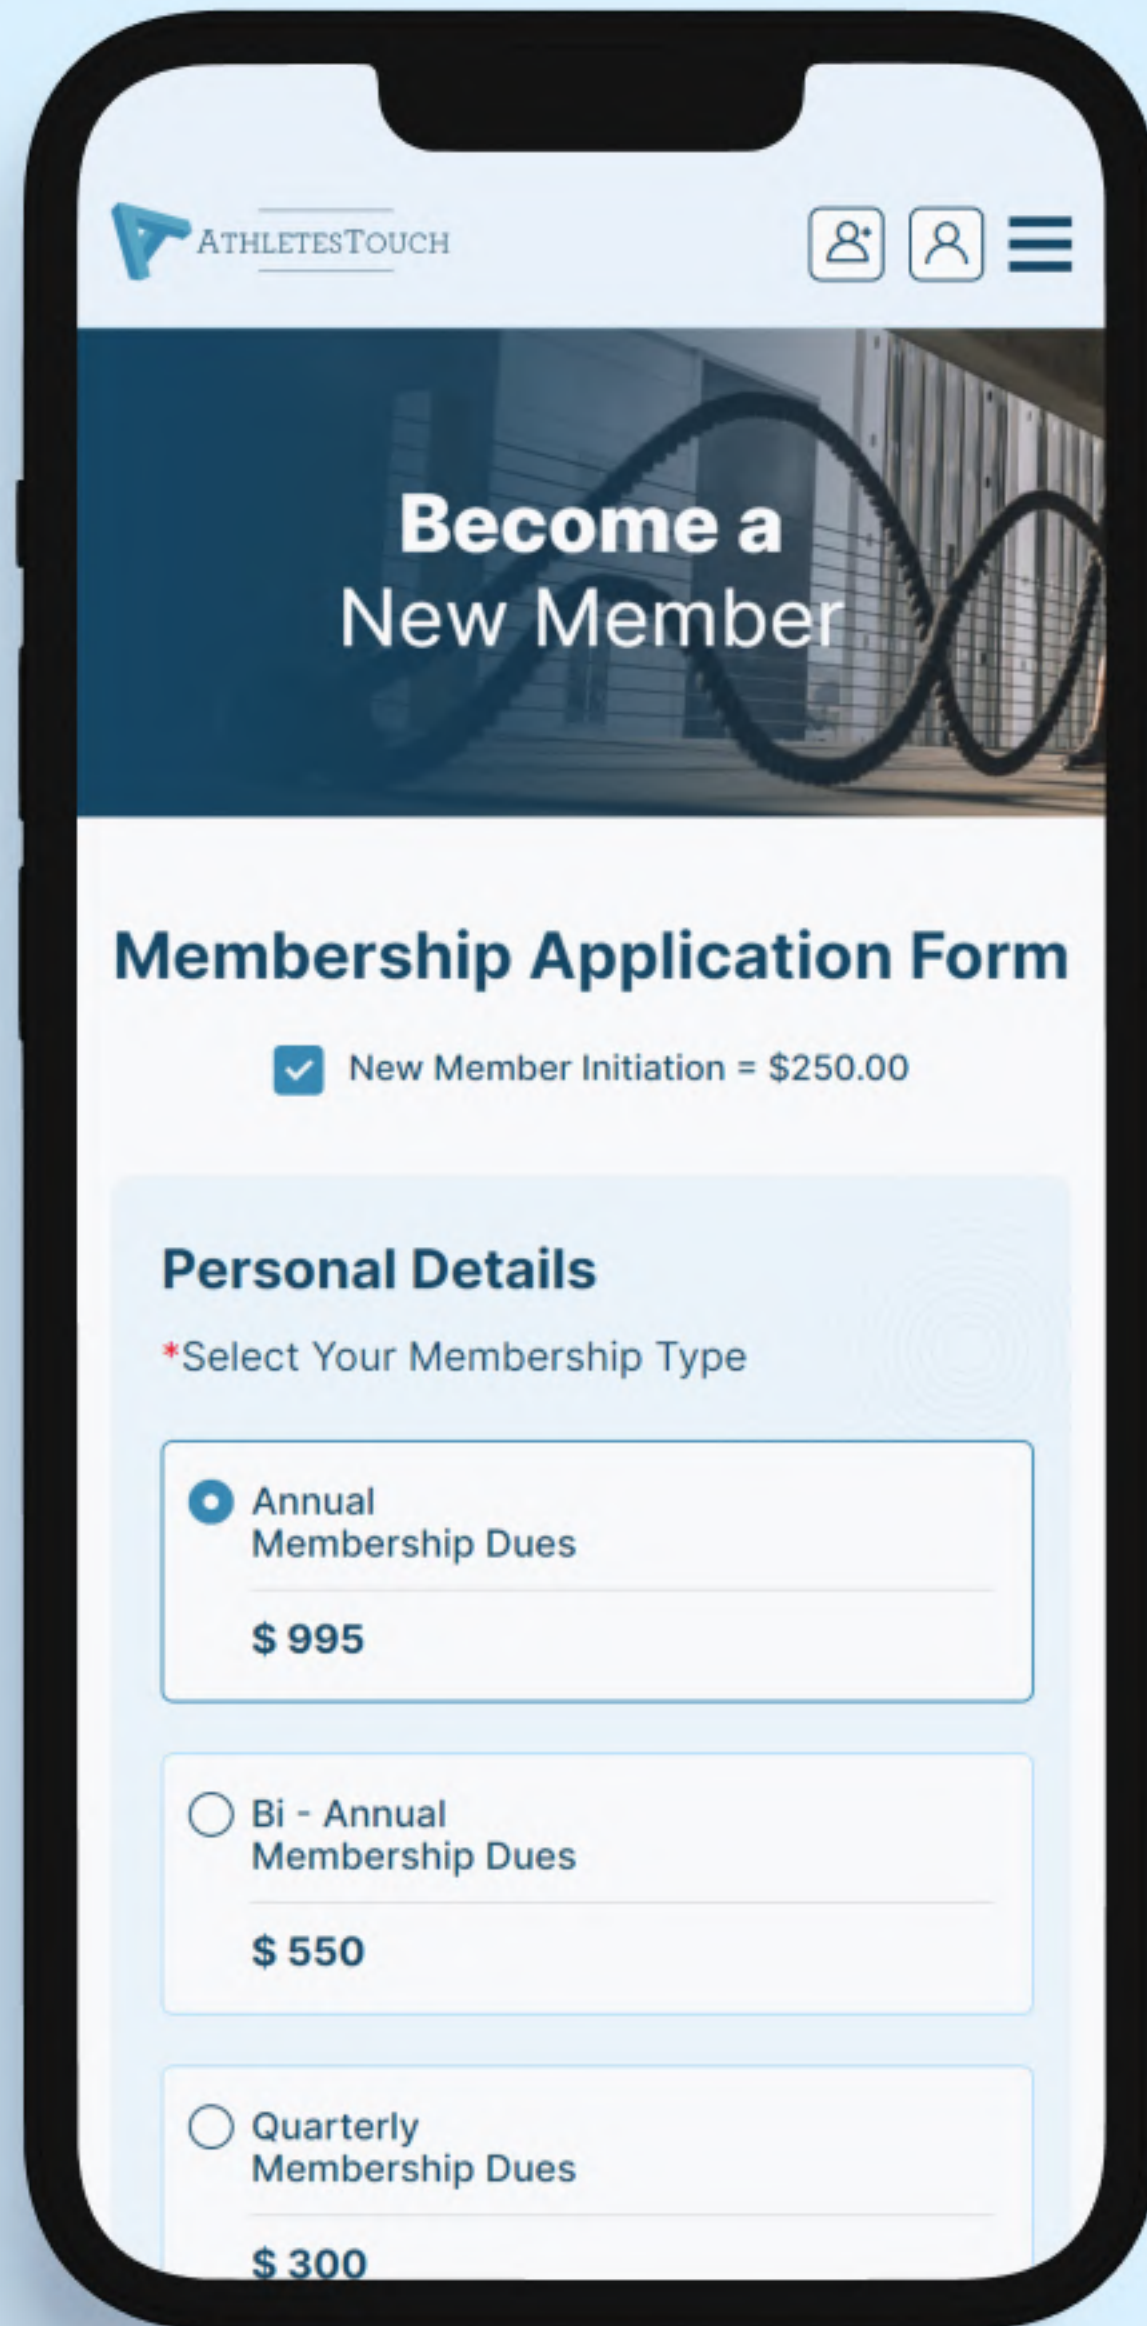

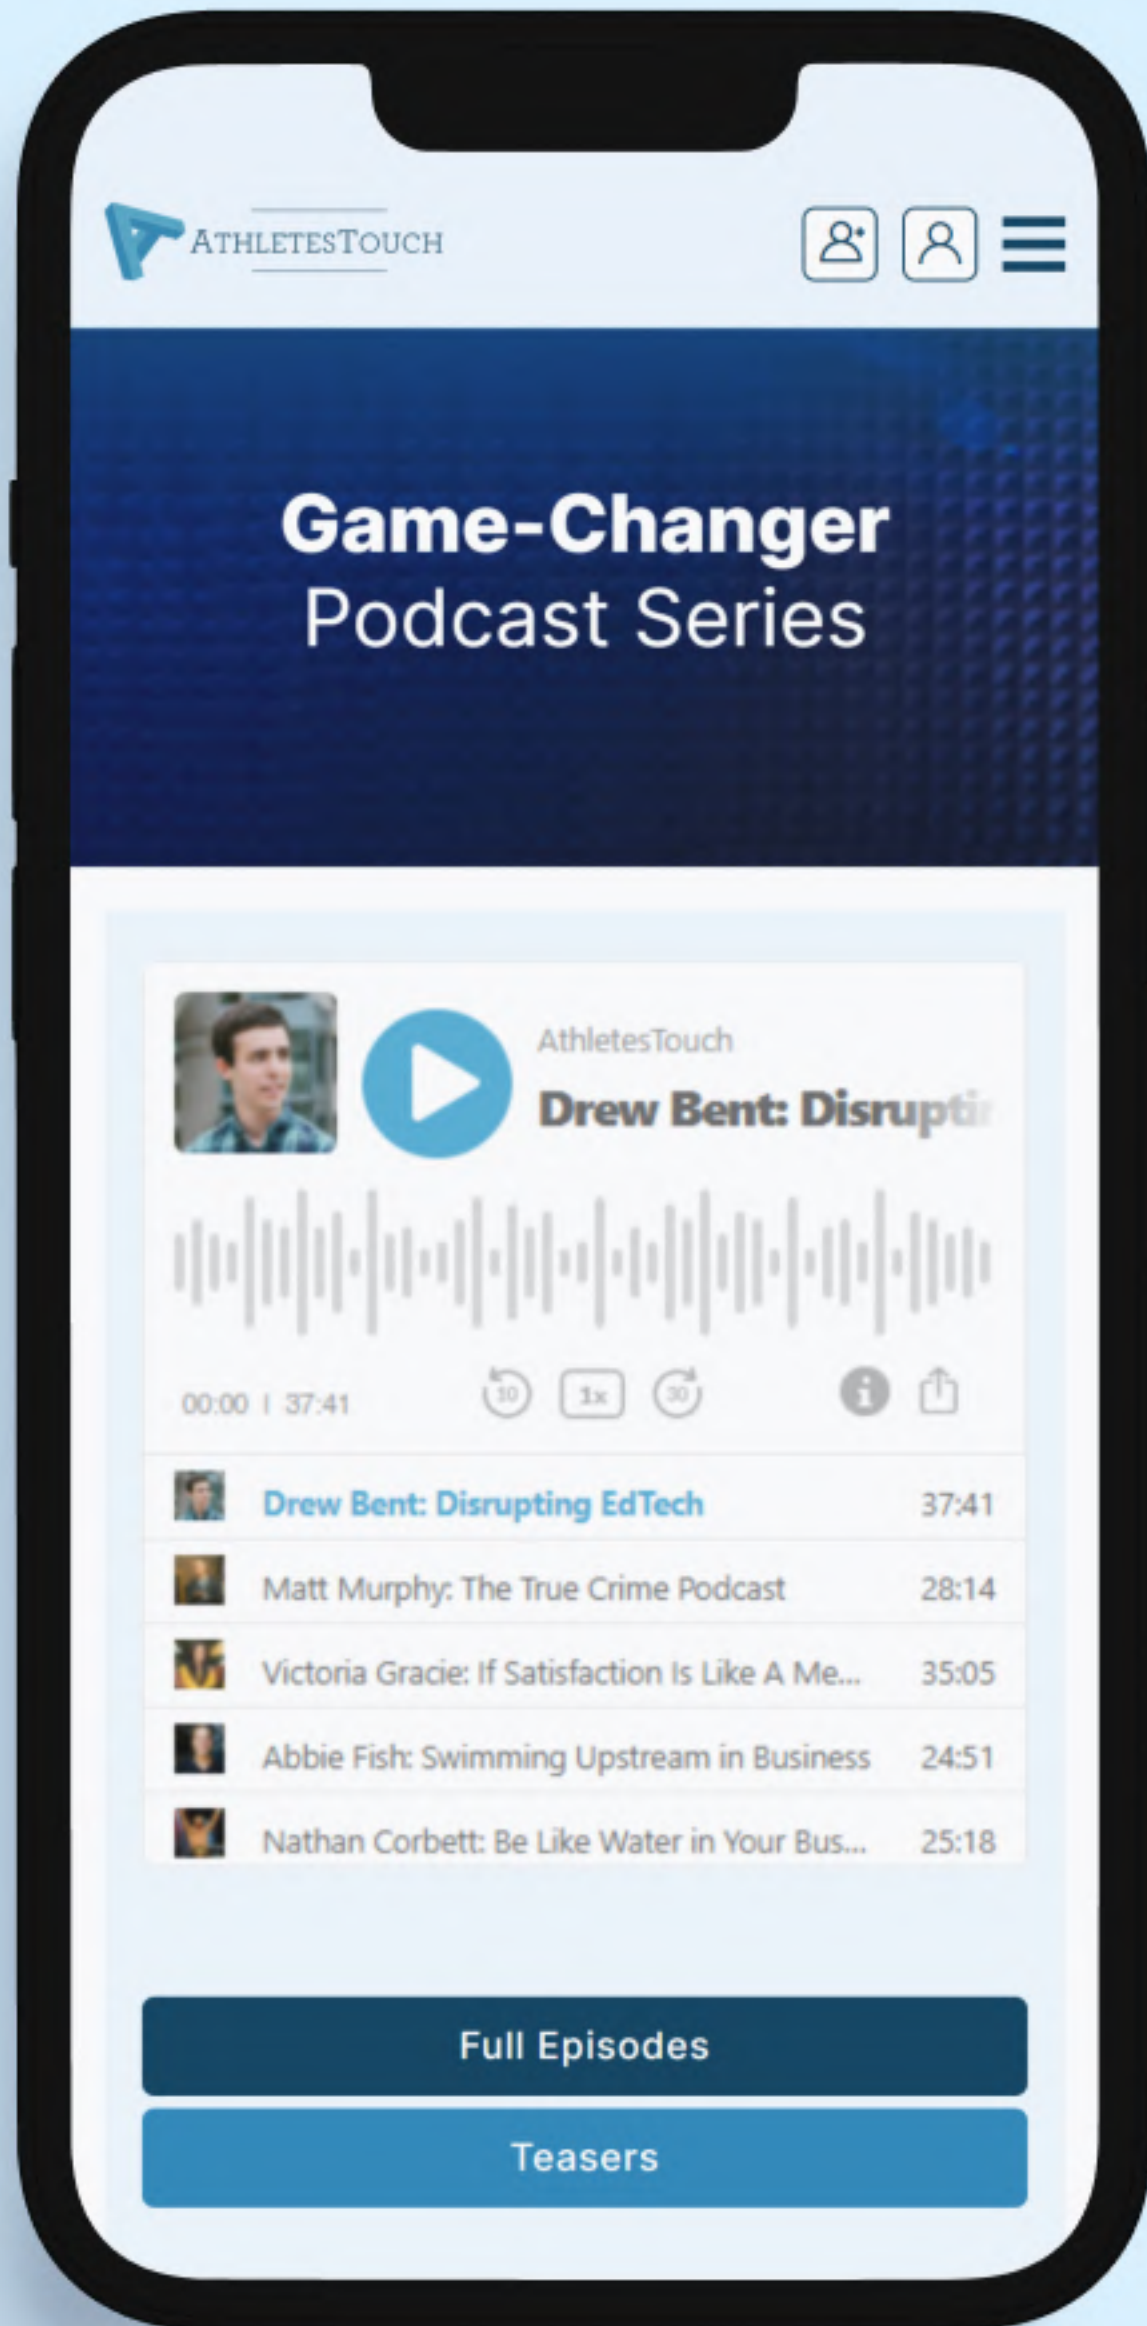

- Our members are of the highest quality and character
- We look to inspire our teammates
- We help others win
- We realize our greatest currency is our relationships
- Relationships are a two-way street, and not WIIFM ("what's in it for me")
- We believe in timely response and professional courtesy
