**description** installation reviews

True All-Season High Performance The ZIEX ZE950 All-Season incorporates the latest in technology and design from Falken to create an excellent choice for drivers of today's sedans, sports cars and crossover vehicles where mileage, all-season and high-performance handling are a priority. Using the Falken-exclusive Dynamic Range Technology (DRT) in the all-new silica tread compound and asymmetric tread design, the ZE950 A/S provides optimum levels of dry, wet, ice and snow grip as well as delivering some of the longest mileage of any Falken high-performance tire. With over 100 sizes from 15 to 20-inch and speed ratings of H, V, and W, the ZIEX ZE950 A/S covers a wide range of fitments, from family sedans to crossover vehicles.
